APPLYING FOR A LIMITED DRIVING PRIVILEGE  
WHEN YOU HAVE A DWI CONVICTION  
IN MECKLENBURG COUNTY

If you plead guilty to, or are convicted of a DWI, your license will be revoked for 1 year. If you drive during this period of revocation and are charged with the crime of Driving While License Revoked (DWLR), not only could you face up to 120 days in jail, but your license will be suspended for an additional year. As a defense attorney, I have watched many people continue down a never ending cycle of committing DWLR, having their license revoked for an additional year, then committing DWLR again and again.

Driving to and from work, school, and running necessary household errands is an essential part of life, and petitioning the court for a limited driving privilege will be the first step in returning your life to normalcy after a DWI conviction.

While I am not allowed to petition for a limited driving privilege during court appointed representation, you may decide to retain me to petition the court on your behalf. Depending on the facts of your case, we may be able to file the necessary paperwork immediately after judgment is entered.

A limited driving privilege is a judgment issued in the discretion of a court for good cause shown authorizing a person with a revoked driver's license to drive for essential purposes related to any of the following:

- 1) His employment.
- 2) The maintenance of his household.
- 3) His education.
- 4) His court-ordered treatment or assessment.
- 5) Community service ordered as a condition of the person's probation.
- 6) Emergency medical care.

A person convicted of the offense of impaired driving under G.S. 20-138.1 is eligible for a limited driving privilege if:

- a.. At the time of the offense he held either a valid driver's license or a license that had been expired for less than one year;
- b.. At the time of the offense he had not within the preceding seven years been convicted of an offense involving impaired driving;
- c. Punishment Level Three, Four, or Five was imposed for the offense of impaired driving;
- d. Subsequent to the offense he has not been convicted of, or had an unresolved charge lodged against him for, an offense involving impaired driving; and
- e. The person has obtained and filed with the court a substance abuse assessment of the type required by G.S. 20-17.6 for the restoration of a driver's license.

In order to petition for a limited driving privilege, the following forms must be submitted:

1. **Three copies of a Limited Driving Privilege (Form AOC-CR-312) OR Interlock Limited Driving Privilege (Form AOC-CR-340).** These forms are attached.
2. **Form DL DPPA-1.** This form is used to obtain a certified copy of your driving record from DMV.
  - The form must be mailed to the DMV along with a cashier's check in the amount of \$7.00 to:

Motor Vehicle Records  
Drivers License Division  
1100 New Bern Avenue  
Raleigh, North Carolina 27697  
(919) 715-7000

3. **A DL-123 form.** This is certification from your insurance company and/or agent that you have valid, current insurance coverage. If you don't own a vehicle, you will need a form DL-123A, also obtainable from your insurance company and/or agent. These insurance certifications are only valid for thirty (30) days from the date you receive it.

4. **A Substance Abuse Assessment.** Attach a copy of your assessment evaluation. In addition to the assessment itself, which costs \$50.00, you must enroll in any treatment/education recommended by the agency. Attached is a list of licensed assessing agencies in Mecklenburg County.

5. **Letter from your employer if you desire driving hours in addition to 6 a.m. to 8 p.m., Monday through Friday.** If you are self-employed, you must provide a letter, which outlines when and why you need to drive outside the hours of 6 a.m. to 8 p.m., Monday through Friday.

6. **A receipt or other proof from the Clerk of Court's Office that the \$100 restoration fee has been paid.**

7. **IMPORTANT: If you were arrested for DWI on or after July 1, 2000, and you blew .16 or higher on the intoxilizer, you MUST USE THE INTERLOCK LIMITED DRIVING PRIVILEGE (AOC-CR-340) FORM. You MUST also have an ignition interlock device installed on your vehicle BEFORE a judge will sign your limited privilege.**

The ignition interlock is an alcohol detection device that requires the driver to blow into the unit before the vehicle is started and randomly thereafter. If the device detects alcohol on the driver's breath, the vehicle will not operate. The device costs \$176.00 at installation and \$50.00 per month thereafter. You must call Monitech, Inc. at 800-521-4246 to schedule installation. You must submit proof of installation along with the other items listed above.

6. **If you refused to take the intoxilizer at the time of your arrest,** your license was immediately revoked for twelve months. Before you can apply for a limited privilege, your license must have been revoked at least six months for the refusal. After the six month period, you may qualify for a limited privilege if at the time of the refusal you:

- a) had a valid driver's license or a license that had been expired for less than one year;
- b) had no impaired driving convictions for the preceding seven years;
- c) had not willfully refused to submit to a chemical analysis within the preceding seven years.

**In addition, the Court must find that:**

- a) the offense did not involve death or critical injury to another person;
- b) the underlying charge has been finally disposed of; if you were convicted, you must have complied with at least one of the mandatory conditions of probation imposed by the Court;
- c) subsequent to the refusal, you have not had any unresolved pending charges for or additional convictions for an offense involving impaired driving;
- d) you have obtained a substance abuse assessment AND successfully completed any recommended treatment.

You will still need to comply with the requirements listed in paragraphs 1 through 6 listed above.

**9. You will need three (3) sets of all these materials in order to file.** The judge who sentenced you for the DWI will consider signing your driving privilege. You may have to return at a later time or on a later date to pick up your paperwork. If the judge who sentenced you does not usually hold court in Mecklenburg County, only the Chief District Court Judge can consider signing a driving privilege. Judges have discretion to grant or deny your request.

**10. If your paperwork is signed you must take it directly the Criminal Courts Building.** A filing fee of \$100 is due to the Clerk of Court to file the paperwork. The driving privilege will not be valid until the Clerk gives you a stamped, official copy.

**COSTS:** I will petition the court for your limited driving privilege for a cost of \$307. You will need to bring the following:

- 1 certified check for \$7 made payable to the NC DMV.
- 2 certified checks for \$100 EACH payable to the Mecklenburg County Clerk of Court.
- 1 certified check for \$100 payable to Derek Fletcher, Attorney at Law.

Please call me at (704) 380-0094 if you would like more information about a limited driving privilege. Additionally, the self serve counter on the 3<sup>rd</sup> floor of the Mecklenburg County Courthouse provides more information on the subject should you consider filing this petition without an attorney.
